BANANAS

#1

Look at that angle
Wooah.. your nose is amazing
Your legs are nothing to sneer at either. Don't you have to reframe your penis every time you buy a new shirt?
Did you run down over your secret cucumber?
All the girls call him that
Aaw~ no, it's normal hehehe
hehehe
Have they gone bananas?

Hey, I think that girl from Jun Early High was just looking at you
Wah, she was looking at you. You're totally handsome today
Then maybe she was looking at Tachi-kun? He looks flat on side
Yeah, that's right
Maybe she was looking at all three of us hehe It's just a waste to just look at one of us hehe
Have they gone bananas? Lol
ehehehe

Peek
Ah, those stares
I'm tired of them
!
Uhm..
Your eyes are quite bright. Do you want to talk about the ancestor god with me?
I'm sorry, I can't accept your confession! My eyes has embedded jewels and I will admit it's a crime...
But I belong to everyone So have a good day..
Has he gone bananas? Lol
